VOLUME 34 ISSUE 5

GOD, GRANT ME THE SERENITY TO ACCEPT THE THINGS I CANNOT CHANGE, THE COURAGE TO CHANGE THE THINGS I CAN, AND THE WISDOM TO KNOW THE DIFFERENCE

The Serenity Prayer is one of my daily prayers but has been a good reminder for me during this COVID-19 pandemic.

The April Delegates meeting was done via Zoom and it went well. We hope to schedule a Intergroup Workshop for the fall. Please submit any ideas for workshop topics to your Intergroup delegate or feel free to contact me. The May 20th Delegates meeting will also be done via Zoom. The Zoom information will be forthcoming to the Delegates and Committee members.

I am still in need of a Website chair. If you are interested or have questions what the job entails please contact me.

The Summer picnic scheduled for June 28th has been rescheduled for Sunday, August 30th. More details to follow in the next few months.

Reminder: if you need literature, books or chips you can contact Carole D. at (707) 761-2842 or (707) 724-3519.

For information about the Roadway to Recovery, the amended Stay at Home health order, social distancing protocol and frequently asked questions about Solano County reopening, visit the website at: www.SolanoCounty.com/COVID19.

Stay safe and healthy. Hopefully we will be able to meet in person soon.

Happy Mother's Day!!

In Unity and Service,

Cathy L.

Happy Joyous Free

SOS: COVID19

Alcoholics have stayed sober and reached out to fellow sufferers through wars, natural disasters and other calamitous world affairs. The California Northern Coastal Area (CNCA) Archives Claire, Denise G., asked the district archivists to try to chronicle this difficult time we are all going through in real time.

I need your help.

If you can write down your experiences thus far during the pandemic and email them to me that would be great. It can include how your group reacted to the emerging crisis, what steps personally you have taken to bolster your sobriety, your experiences with online meetings or phone meetings, struggles/triumphs you have had—that sort of thing.

Please send your submissions to friendabill@gmail.com

Thanks everyone!
Stay safe and stay sober!

Greetings from District 90

We are now into another month of being "Sheltered in Place" and conducting our AA meetings and AA business via online platforms. Although certainly not the ideal, I can share from my personal experience that many of these "new" avenues of gathering and staying connected have been very beneficial and rewarding. I will be attending an AA birthday party soon, and have heard AA speakers from across the nation, all from the comfort of my own home. You have to love technology, as I can't imagine what we would all be doing without it.

Since my last report, I have attended the DCMC sharing session, the Area Committee Meeting, the Pre-Conference Assembly, our monthly Officer's meetings and the monthly District meeting. All via online!

I must admit that I was very skeptical about how the Pre-Conference would play out as a virtual event. However, I am happy to report that it was truly amazing! The Area put together some of the very best "techie" alcoholics in our fellowship, and they put on one of the most seamless and smooth online Pre-Conference Assemblies one could ever imagine. This was not only my opinion, but one I have heard over and over from countless others. As many of you already know, the Pre-Con is where we all gather to share our group conscience with our Delegate on the Agenda Topics. This is a 2-day event usually attended by approx. 450 people. It can make for very long days of sitting and listening. In my opinion the online format took away all the other distractions and helped me to focus on just the one person at a time that was sharing. The technology for translations opened the door to really hearing and understanding our Hispanic members as well. I was blown away by many of things I heard from other groups in our vast Area. There were items on the agenda that I had a change of opinion on, just by hearing some of these wonderful thought-provoking group consciences. There are many ways that these new online virtual gatherings may continue to benefit our fellowship going forward. As much as I love the one on one, especially for carrying the message to the new man, online formats can be utilized to bring us closer together and connect with some aspects of our General Service.

It will be interesting to see us all work together as we start to move into another phase of this shut down and begin our adjustment back to live meetings. We will need to stay very mindful of others and to honor the county and state orders, while being aware of our primary purpose.

Like so many of you, I am eager to get back into my normal routines, especially as it pertains to my program of recovery. I am a hugger and I miss my peeps something terrible!! On the flip side though, I have been tapping into a more quiet and relaxed state, and have made some wonderful new connections with others, even at a distance. For me personally, just as we are taught in AA, that this is a "WE" program... I am seeing more clearly how it's also very much a "WE" world. Be blessed and be safe, as WE all trudge the road to happy destiny.

Yours in Love and Service,
